Committee Assignments

Academic Affairs Committee

Ongoing:

- Credits transferred from campuses within both the IU and Purdue systems, how credits outside these systems are viewed by IUPUI, and how many credits must be taken at IUPUI before an undergraduate diploma may be granted at the IUPUI campus.
- Review of credit transfers and residency.
- How degrees are awarded on diverse campuses and internationally by programs within the IU and PU systems and how they might affect programs on the IUPUI campus.
- Review and recommend to the Faculty Affairs Committee standards used in hiring adjunct faculty.

- Continue work with IUPUI+ development.
- Use of LMS (Canvas) data for instructional monitoring (online courses)
- Review of grade assignment for cases of academic dishonesty.

- Review EC membership to organize school overlap rules now that NTTs are present. Probably: allow one NTT to be from the same school as one TT.)
