

~~Grades – Grade Forgiveness~~

~~IUPUI has created a policy to establish an effective way to encourage capable, mature undergraduate students to return to IUPUI when they have achieved poorly during an earlier attempt at higher education within Indiana University. This policy is not available for graduate students or students seeking any second undergraduate degree.~~

~~Forgiveness is not available to students in all schools. The individual schools have the authority to honor or not honor the policy and to set stipulations on any student who is granted forgiveness. A student granted forgiveness in one unit might have that forgiveness revoked upon transferring to another IUPUI school. The option only exists at certain Indiana University campuses and not at any Purdue University campus.~~

~~The general campus policy appears below. Contact the recorder of your school to determine whether this option is available and appropriate for you.~~

~~Application of the grade forgiveness policy is intended to assist students in successfully earning a bachelor's degree from IUPUI by impacting the program GPA only. Advisors can see that grade forgiveness has been applied on the Student Program Transcript under each term in which it was approved.~~

IUPUI Forgiveness-Fresh Start through Academic Renewal Policy

The purpose of this policy is to establish an effective way to encourage capable, mature students to return to IUPUI after a significant hiatus to complete their baccalaureate degree when they have achieved poorly during an earlier attempt at higher education within Indiana University. The spirit of the policy is to provide a fresh start for Indiana University students in the same way accorded to students who transfer into IUPUI from other universities. Prior work may count towards degree requirements but is not included in the calculation of the cumulative program GPA.

1. The IUPUI Forgiveness-Fresh Start through Academic Renewal policy applies to former IU students pursuing a first undergraduate-baccalaureate degree who have been away from the IU system and have not been enrolled in any IU campus for 36 or more consecutive months (3 years), attended any other college or university, including any campus of IU, for a minimum of the last three years. Each school may set a longer minimum if it so chooses. This policy first becomes-became available to students returning to IUPUI in the fall of 1996.

2. All IUPUI undergraduate, degree-seeking students who meet the criteria, regardless of the unit of enrollment, are eligible to apply for Fresh Start. Schools retain the right to grant forgiveness to their degree candidates. Consequently, students must confer with each school about its specific policy. If a student changes schools, the new school may choose not to honor forgiveness granted by the student's previous school and may choose to count all courses and grades for purposes of admission to the school, granting of honors, or of meeting the minimum grade point average (GPA) required for conferral of the degree; the cumulative program GPA would thus once again include all courses previously forgiven.

3. Students must make application for invocation of the apply to use this policy by the last day of classes in their second term of enrollment after the 36+ month hiatus. upon application for admission to a degree-granting unit. If the student has not yet been admitted to a degree-granting unit, the student should submit a notification of intent to petition for academic forgiveness as part of the academic advising process.

- ~~4. The school will evaluate the student's transcript. If the petition is approved, all courses taken previously will remain on the permanent record. Only courses with grades of A+, A, A-, B+, B, B-, C+, C, P, and S may be counted toward degree completion, though the value of these grades will not be calculated in the student's cumulative program GPA. Under the policy, all grades, credits, and courses remain on the transcript but an adjustment is applied to the academic record to remove the GPA points/values from the cumulative program GPA for all prior coursework. Credit for any prior IU coursework completed with grades of C or better will continue to count towards degree and/or program requirements.~~ The school may establish guidelines which define a GPA threshold above which a student may not petition for forgiveness-Fresh Start.
5. If the petition-application is approved, the student starts their post-Fresh Start academic record with a cumulative program GPA of 0.00 after which all the rules of academic probation and dismissal for the school will apply. After approval, the student must complete a minimum of 32 30 credit hours on the IUPUI campus after his/her return in order to meet the graduation residency requirement.
- ~~6. Students must make application through their current school of enrollment. Once the unit confirms the student meets the eligibility criteria, the application is forwarded to the AVC for Undergraduate Education for approval. If the petition is approved, the dean of the school granting the petition has the authority to impose Sstipulations or conditions for continued enrollment of the student may be applied. and may delegate to readmission committees or other administrative officers' authority in these matters.~~
7. Forgiveness-Fresh Start may be invoked only once. The policy is not available to a student pursuing a degree after a first baccalaureate degree, regardless of the level of the second degree or where the first degree was awarded.
8. Invocation of the forgiveness-Fresh Start option does not preclude a student from using other available course-specific grade replacement options for work taken subsequent to re-enrollment.
9. Forgiveness-Fresh Start is only available for courses taken at Indiana University. Schools retain the right to consider records of performance from other universities in determining admission to the school, granting of honors, or other matters.
- ~~10. There may be students who had transferred to IUPUI from a Purdue campus into a Purdue mission program where transfer credit applied to the record retained GPA value. In order to allow these returning students the opportunity to reset with a 0.00 cumulative program GPA, these courses, while not IU courses, are eligible for the application of the Fresh Start policy.~~
- ~~11. Grades awarded based on a violation of the IU Code of Student Rights, Responsibility, and Conduct will not be removed from the cumulative program GPA by application of Fresh Start.~~
- ~~12. The policy will apply to all terms of IU enrollment, regardless of the campus on which the courses were completed, for the purposes of determining IUPUI degree progress and completion.~~
- ~~13. Students receiving Fresh Start at IUPUI who subsequently become degree-seeking students on another IU campus are subject to the policies in effect for the IU campus from which they~~

receive their degree. Students receiving a similar academic forgiveness or academic renewal application on another IU campus are not eligible for IUPUI Fresh Start.
