- 

- |                        |   |
|------------------------|---|
| <b>10:10 – 10:40am</b> | <p>Stephanie Cox and Ellyn Pruitt – Update on IU Anywhere<br/><i>Representatives from IU AnyWare</i></p> <ul style="list-style-type: none"><li>• No additional cost for student, enough licenses for all faculty, staff, and students; 30,000 real users (Citrix)</li><li>• 247 real virtual application along with real virtual desktops</li><li>• Virtual desktop for students that are visually impaired, only university to win an award in accessibility</li><li>• Students using any device anywhere; think about Chromebooks, Macs, as well as more powerful devices</li><li>• Delivering an application for a course</li><li>• Differences between downloading software to your device vs. using an application on IU Anywhere on the internet</li><li>• IU Online vPC – partnership with eDS; one-to-one virtual desktop for specific students</li><li>• Accessibility technology desktop, provide for all IU students, faculty and staff</li><li>• OS compatibility – for windows application, is a big benefit</li></ul> |
|------------------------|---|
-

- 
- 
- Storage on the cloud; box, dropbox, google drive, onedrive, local files shares (IU cloud storage)
  - Adding favorite applications to your IU Anywhere
  - How to bring into the classroom – check published applications, request an application, how many users
  - Examples of specific/custom learning tools
  - Power point will be uploaded on Box folder under resources with links for additional information

Nate Pairitz – Update on Kaltura

*UITS Representative*

- Media space on Kaltura, in Canvas there is media gallery which is course specific and My Media
- Can do quick record or upload into my media
- Desktop Recorder, Kaltura Capture and Classroom Capture
- Benefit of using Kaltura – saved individual files (audio, web camera, and screen), searchable within My Media, Analytics on videos, closed captioned automatically and transcript video
- Quizzing feature

---

---

**11:15am**

**Adjourn meeting if no further discussion**
