Action Items carried over into 2011-2012	Status
Update the Academic Misconduct portion of the Code of Student Rights, Responsibilities, and Conduct (IUPUI specific)	This item required long hours of discussions and many meetings over the two semesters to produce an excellent document. The committee significantly updated the Academic Misconduct portion of the Code as well as crafting a student appeal form, a faculty reporting form, and a definitions section. All documents were approved and adopted by a vote of the full council
Consider preparing a Student Honor Code	This remains an open item. Suggested to work with University College on this.
Consider a policy to cover late arriving or “no show” instructors	This was brought before the full council by another group
