Action Items:

Action Item(s)	Status
How does the committee become informed about policies, guidelines, recommendations, proposed technologies, etc., and how can it provide input before a decision is made?	Continued discussion of this with various campus and university representatives. Addressed in draft Cyberinfrastructure Review Task Force Report. IFC Technology Committee Chair (Hook) was part of the Task Force and also chaired the Working Group on Governance & Communication. Continued frustration with lack of input into decisions about technology and paucity of communication once decisions have been made.
Blue course evaluation system	Presentations by Howard Mzumara

FAR system	Presentation by Anne Massey. IFC Technology Committee Chair (Hook) was one of the initial testers of the Digital Measures system.
OnCourse project site replacement	Continued advocacy resulted in a variety of solutions. See https://kb.iu.edu/d/aaqd for details.
One place to find a myriad of information – communication – One.IU	Part of recommendations that will be included in the Cyberinfrastructure Review Task Force. IFC Technology Committee Chair (Hook) was part of the Task Force and also chaired the Working Group on Governance & Communication.
Received regular updates on new and continuing technologies throughout the year from UITS, etc.	
Presentation on PERMA, a service for capturing websites cited in scholarly works.	
Updates on new classrooms and classroom technology	
Regular updates about status/adoption of Canvas	
Joint meeting with IFC Distance Education Committee – bulk of the meeting was devoted to IU Online	
3D Printing Services on Campus	
Next.IU pilot projects	
Update on eDossier System	
IU's videoconferencing strategy	
Updates on Unizen	
Notification plan for major system outages	

Action Items to be carried over to 2016-2017:

Action Item(s)	Status
How does the committee become informed about policies, guidelines, recommendations, proposed technologies, etc., and how can it provide input before a decision is made?	See above. Needs continued discussion and action.
OnCourse project site replacement	Not sure how happy people are with the alternatives.

Suggested new action items for 2016-2017:

Action Item(s)	Status
Updates on new classrooms and classroom technology – need better coordination with the Registrar (classroom scheduling) so that faculty who need technology are given the classrooms that are appropriate	
IU Online – lots of issues, including fees, support, faculty control over the curriculum, technology, instructional design, etc.	
eDossier system – not sure that faculty are happy with it and does not necessarily fit all of the kinds of faculty appointments at IUPUI.	
IU's videoconferencing strategy – not sure that faculty are clear on what is being proposed and whether it fits their needs	

Please attach any completed documents, minutes, or recommendations made by your committee during this report year. One copy of this report and supporting documents will be sent to the IUPUI University Archives.
