Indiana University-Purdue University Indianapolis
Indianapolis Faculty Council (IFC)
Minutes
March 1, 2016 – CE 002 (Theater) – 3:00 – 5:00pm

Agenda Item I: Welcome and Call to Order
IUPUI Faculty Council President Marianne Wokeck called the meeting to order at 3:00 p.m.

Agenda Item II: Adoption of the Agenda as the Order of Business for the Day
The Agenda was adopted as the Order of Business for the Day.

Agenda Item III: Approval of the IFC February 2, 2016, Minutes
Minutes of the February 2, 2016, meeting were approved and entered into the record.

Agenda Item IV: Updates/Remarks from the Chancellor
Nasser Paydar, Indiana University Executive Vice President and Chancellor of IUPUI

Chancellor Paydar reported on the following:
- The School of Informatics and Computing received a $400,000 grant from the state of Indiana for work with the Informatics Diversity-Enhanced Workforce program. This program prepares a diverse cross-section of Indianapolis high school students for careers in information technology.
- Search Updates:
  - Dr. Raj Acharya has been offered and accepted the position of dean of the School of Informatics and Computing. His start date is July 1.
  - School of Health and Rehabilitation Sciences – An interim dean will be appointed while the search for a permanent replacement is sought.
The search for a chancellor at IUPUC has come to an end. Three individuals were interviewed, and the committee will make its recommendation soon.

Searches for the executive vice chancellor and chief academic officer and the associate vice chancellor for enrollment management will be conducted through national search firms.

- His inaugural Report to the Community was given on February 17th, with approximately 200 people in attendance at the Campus Center.
- Budget hearings with every school have taken place, with topics of discussions including what is happening budget-wise, along with what the future looks like for the next four years.
- Campus conversations with deans and vice chancellors have been held. The deans were provided with questions on a variety of topics to which they have been asked to provide answers.
- A recommendation from the task force on the recruitment/retention of African-American students has been received. Following review by several other groups, ways to implement the recommendations will be undertaken.
- Two additional task forces—one for recruitment and retention of Latino/Hispanic students and one for retention and recruitment of Latino/Hispanic faculty and staff—have been formed. Chancellor Paydar is looking forward to receiving their recommendations.
- The first town hall meeting on diversity was held February 15th, with a second town hall meeting scheduled for March 9th. Approximately 100 students, faculty, and staff participated in the February meeting. The topic of conversation for March will revolve around creating solutions for topics of concern expressed by members of the campus community.
- Chancellor Paydar discussed banded tuition and how it is significant for students at IUPUI. Banded tuition was recommended by the Indiana Commission for Higher Education (ICHE), a member of which is Chancellor Emeritus Gerald Bepko. Banded tuition will bring IUPUI into conformity with other universities in Indiana.
  - Chancellor Paydar shared that for AY 16-17, IUPUI will increase institutional funding for need-based aid by $4 million. The majority of the funding will be allocated to increase the number of students receiving the Grant for Access and Persistence (GAP) award.
  - A town hall meeting regarding banded tuition will be scheduled to both inform and provide opportunities for students to ask questions about the banded tuition program.
- Lastly, the chancellor addressed the topic of thefts of catalytic converters from vehicles on campus. To date, five converters have been stolen in comparison to a total of eleven in 2015. Campus police will continue to be diligent in their efforts to thwart these types of incidences.

**Agenda Item V: Updates/Remarks from the IFC President**

Marianne Wokeck, IUPUI Faculty President

President Wokeck reported on the following:

- At the February 23, 2016, meeting of the University Faculty Council, a number of topics were discussed:
A search committee for the chief financial officer (CFO) of the university as a whole has been formed. Faculty from our campus are serving as members of that search committee. The committee hopes to have a successful resolution later in the year.

There were a number of policies voted to successfully.
- The withdrawal of policy on access to labs with hazardous materials and/or laboratory animals by visitors.
- Approval of nepotism policies and procedures that existed for faculty and for staff separately have been coordinated into one policy and procedure. If you are in a position to either need to be aware of, or need to administer those types of policies, be aware there has been a change. Updates are available at the university administration website.
- There was also a presentation regarding the university transfer policy, i.e., how we manage better and need to manage well in an age where transfer between and among campuses is much more common. There are ways to support student success and not create administrative hurdles that keep students from being successful in those transfers.
- There was also an adjustment of the policy, not a substantive change, for librarians where wording had not been caught up in the rules of the handbook.
- A report was shared regarding sexual misconduct prevention efforts governed by Title IX. All universities are struggling with finding the right balance between making it possible for students and faculty and staff who need to, or are charged with, reporting instances of sexual misconduct or violence. Campuses know better what the reporting rate and the instances have been and the reaction to students. However, the same kind of numbers or information about faculty is not available. This will be something to know the next time. Work on this is difficult and necessary for everyone—including intervening properly if the need arises.
- There was a presentation of the new directions in academic advising. Faculty are much more aware of what students need to know in terms of disciplines and career mapping/degree mapping. However, faculty may not always be aware of career-oriented factors which should be taken into account. At IUPUI, University College, along with the Division of Undergraduate Education, have valuable information available for faculty, and they should strive to incorporate this into the academic advising efforts.
- Finally, an update on the option to have 10-month pay but having that pay be spread out over 12 months was discussed. The solution, for now, will be a calculator that can be applied. In other words, not any real progress. Hopefully, this option will be made available at a later time.

President Wokeck underscored the report regarding campus conversations with the deans as well as vice chancellors. Overall, it was a very good conversation and opportunity for faculty, especially the Budgetary Affairs Committee and the Campus Planning Committee, to have conversations which reached across the divisions and across departments. The reports of those will be made available. President Wokeck expressed appreciation to her colleagues, in
particular on those committees, for the work they have done as well as appreciation to the deans and vice chancellors who participated.

Agenda Item VI: The Charles R. Bantz Chancellor’s Community Fellowship Award – Call for Proposals
Amy Warner, Vice Chancellor for Community Engagement

Vice Chancellor Warner spoke regarding the Charles R. Bantz Chancellor’s Community Fellowship. This is an opportunity for year-long funding to support a collaborative research team to address a community issue in central Indiana. Proposals may be funded up to $50,000 with a required additional cash or in-kind match, a minimum of 20 percent, from the school and/or community partner. The deadline for submitting applications is Monday, March 21st. Additional information regarding the fellowship is available through the Office of Community Engagement website.

Agenda Item VII: Call for IFC or UFC Standing Committee Reports

- Faculty Guide Committee: Judith Wright, committee chair, provided a brief report on activities.
  - Committee undertook an extensive review of all policies and links corresponded to appropriate policies on the Indiana University website. The links now accurately direct the reader to actual policies.
  - After two cycles of review, the committee has verified that when policies are reviewed, faculty members can be made aware of which policies are in effect on the actual date of review.
  - Reflecting the current charge, the name of the committee was changed in May 2015 from the Faculty Handbook Committee to the Faculty Guide Committee.
  - The guide has been reviewed and now conforms with the Chicago Manual of Style, the selected style guide for Indiana University.
  - There are no standing action items. In the spring, a review of the guide will be completed and any necessary additions or changes will be made.

- Constitution and Bylaws: No report was given. Will ask for report during April meeting.

- Research Affairs Committee: Marc Mendonca reported on behalf of Victoria Champion.
  - Currently, there are no updates to report.
  - The committee met in regard to simplifying the application process for grants at the university level to allow for a more just-in-time system. The goal is to alleviate extensive work with budget preparation when pay lines are in the range of 7 percent. This matter is being worked at the administrative level.

- President Wokeck added that the Grand Challenges provide an opportunity to pull people in who have research interests that may not be directly related, but could be related, and it depends on us to make those connections and seek them out.

- Faculty Affairs Committee: No report was given.
Agenda Item VIII: [Information Item] Indiana Members Credit Union
Tara Lambert, Business Development Manager, was not present. No report was given.

Agenda Item IX: [Information Item] Introduction of Dr. Roderick Perry, IUPUI Director of Athletics
- Dr. Perry spoke to the appended presentation and provided a brief review of his background, an overview of the core areas of focus for intercollegiate athletics, the academic success of student-athletes, and future goals of the athletics department.

Agenda Item X: [Information Item] Imagining America Campus Visit
- Elee Wood discussed Imagining America (see appended presentation) a consortium of universities and colleges across the country that are focused on supporting scholarship in arts, design, humanities, and public life, and its recent visit to IUPUI. Council members were encouraged to review the public scholarship report, the draft concept paper, and additional information regarding IUPUI’s public scholarship faculty learning community, at the Center for Service and Learning: Faculty Learning Community on Public Scholarship.

Agenda Item XI: [Action Item – Preparation to Vote] Election Slate: Faculty Grievance Advisory Panel and [First Read] Election Slates: At-Large Members (Tenure Track and Non-Tenure-Track), Board of Review, Executive Committee, Nominating, Committee, and University Faculty Council, President, and Vice President
- Jack Windsor reviewed with the following council slates for the upcoming elections:

Agenda Item XII: Question/Answer Period
- Bill Schneider expressed his feeling that it would be a good idea to gain an understanding of the CFO candidates' opinions on 12-month salary payments. President Wokeck acknowledged that would be an excellent idea and will draft that.
- Thom Upton asked how the top student groups have been engaged in conversations about banded tuition. Chancellor Paydar responded that a message was sent in October 2015 to everyone, including students. Several students had approached him, and following a thorough explanation of the program, he believed concerns were addressed and satisfied. Chancellor Paydar also shared that forums will be held on campus to allow for additional conversation. Finally, Chancellor Paydar indicated that information with the particulars of banded tuition will be shared within the next several weeks with deans.

Agenda Item XIII: Unfinished Business
There was no Unfinished Business.

Agenda Item XIV: New Business
There was no New Business.

Agenda Item XV: Report from IUPUI Staff Council
- Barb Hanes, First Vice President of the Staff Council, shared updates from the most recent meeting:

  - Staff development grant applications are due April 1st. Please encourage staff to apply.
Agenda Item XVI: Final Remarks and Adjournment:
President Wokeck said this is the time of the semester in which applications and nominations for student achievements are due. Please do your work for that and plan to attend events where student success is showcased.

Report on Council Actions 2015-16 (per Bylaws Article 1. Section C.3)

Items that have been completed by the committees follow the assignments for committees.

Committee Assignments

Academic Affairs Committee
- Campus Policy on Limits in Withdrawal: Policy to be voted on by AAFC, EC, and IFC fall 2013. (Oct. 2013: The AAC agreed that the policy was too restrictive. They agreed that students should not be allowed to enroll and withdraw (or fail) a given course numerous times. Perhaps an alternative solution is to block registration for such students, initiated at the unit level. The registrar will investigate creating lists of students who enroll repeatedly in the same course. These lists could be provided to the appropriate unit for action (registration block), if the units choose to do so. Annual Report 2014: The proposed policy was put on hold pending further fact-finding and deliberation.)
- Grade Forgiveness Policy (Annual Report 2014: Carried over from 2012-2013. Should this assignment be eliminated?)
- Investigate what, if any, “University Sanctioned Events” should be included in the Registrar’s list of Course Policies (Annual Report 2014: Committee added this assignment for the 2014-15 AY.)
- IUPUI Policy on International Teaching Assistants
- Potential Policy on Credit Hour Overlap Between Minor to Major or Major to Second Major (Porter email of 5-14-14)

- Undergraduate Curriculum Advisory Committee: (Update 2-25-14: With the Strategic Plan, this committee is under review by the Academic Affairs Committee and Faculty Affairs Committee as they determine whether the IFC should endorse an Undergraduate Curriculum Committee. The Constitution and Bylaws Committee will be asked to make a motion to remove the UCAC from the IFC Bylaws should the IFC endorse the new committee. The committee has been endorsed, so a motion is needed.)
- Limit the amount of time a Board of Review can be heard before time runs out once it has been assigned by the IFC-EC. (Motion made by IFC-EC on March 27, 2014.) (Update 7-10-14 and 6-10-15: keep on agenda.)

• What does the word “faculty” mean in policies in the Faculty Guide? Who are the policies for? (“Faculty” appears to mean something different depending on the policy.)

How’d we get here?
Imagining America’s
Tenure Team Initiative on Public Scholarship

Articulating a continuum of knowledge and knowledge-making practices.

Four Domains of the continuum:
• Scholarship: gives public engagement full and equal standing.
• Scholarly and creative artifacts: includes those produced about, for, and with specific publics and communities.
• Professional choices for faculty: enables them to map pathways to public creative and scholarly work.
• Actions: aimed at creating a more flexible framework for valuing and evaluating academic public engagement.
