Agenda Item I: Welcome and Call to Order
IUPUI Faculty Council Vice President Ed Berbari called the meeting to order at 3:00 p.m.

Agenda Item II: Adoption of the Agenda as the Order of Business for the Day
The Agenda was adopted as the Order of Business for the Day.

Agenda Item III: Updates/Remarks from the Chancellor
Nasser Paydar, Chancellor

Paydar reported on the following:

- The IUPUI Regatta was in September with 12,000 participating. IUPUI Women’s Swimming came in first, Swimming and Diving came in second, and science alumni was third.
- Search and Screen Updates:
  - The IUPUC chancellor and dean search has begun.
  - The executive vice chancellor and chief academic officer search will begin by the end of the month.
- Parking: Vice Chancellor Dawn Rhodes and Parking Director Sheri Eggleton gave an update on parking. Many changes were made last year. When the Riverwalk and Sports Garages were first opened, the Riverwalk Garage could take EM parkers without them paying the garage rate for one year. The Sports Garage was changed to a permit-only garage. Several spots were sold, and visitors were allowed to park there. By contract, 550 spaces in the Riverwalk Garage has to be available for the NCAA. Rhodes began to hear from faculty that Herron students needed to have parking closer to the building because of the heavy equipment and portfolios they bring to class. The majority of parking inventory is in garages. As a result, students will begin to park in the Sports Garage. The EM parkers who paid to park in the Sports Garage were moved to the Riverwalk Garage. Those who were parking in the garages with EM permits and were not paying for it now
need to park in other EM spaces outside the garage. EM parkers can park in student spaces (not garages) which then forces students into the garages and frees up more space for EM parkers on the surface lots. Scheurich said when you call the parking office, you are instantly put on hold, and then after a minute the call is dropped. Eggleton said she will check on that. She has heard the complaint before, but UITS is not sure how to address it. Berbari asked if there were loading zones in the Herron area for students to drop off art supplies. Rhodes and Eggleton said there are loading spaces outside the building; however, the volume of students is too great to allow everyone to use the space at one time. Schneider asked about the high parking rates. Rhodes reiterated the reasons for why parking rates are going up. General fund dollars cannot be used for parking. Transit and spaces need to be paid by parking fees. Berbari said the fee structure will be going up for the next several years to reach a percentage that must be met by the Board of Trustees’ mandate.

- VC Rhodes will be leaving IUPUI effective October 16. A reception will be on October 15, from 4-6 p.m., in CE 450B and C.
- Bicentennial Campaign: The campaign began September 30. The goal is $2.5 billion for the first all-university campaign. IUPUI has raised $614 million as of September 30. The School of Medicine has raised $453 million followed by $75 million from Riley Hospital. The rest of the campus has raised $85 million with the faculty and staff contributing $22.6 million.
- Campus Unification: At the recent Board of Trustees meeting, Paydar proposed a four part space study to bring people off campus back onto campus. The study will look at all the office space on campus and those off campus to see if it would be worth building a building on campus to house the people. He said the campus needs to distinguish between a wish list and a real need. Are we satisfying the needs of students on campus? Are we engaging them? We will also look at classroom space. Do we have the right classrooms for today? We have classrooms, but do we have the right kind to engage the students.

**Agenda Item IV: Updates / Remarks from the IFC President**

Marianne Wokeck, IUPUI Faculty President

Wokeck reported on the following:

- The second half of the IFC meeting is a celebration of faculty who have serve IUPUI twenty year or more. She encouraged everyone to stay for the entire meeting and celebration.
- She thanked librarian Jennifer Hehman on her retirement. Her colleagues wrote the following formal statement of thanks for her long-time and active involvement in the campus and faculty governance.

**Faculty Council Statement Honoring Jennifer Hehman**

The IUPUI Faculty Council (IFC) and the members of the Executive Committee would like recognize Jennifer Hehman for her contributions to the IFC over the last decades. Jennifer has been an advocate for the faculty and faculty rights since her appointment to the IUPUI campus. Her service record reflects her support of faculty governance with years as an elected representative to the IUPUI Faculty Council (2005-2007) and the University Faculty Council (2009-2011). Jennifer’s most significant and lasting impact is the result of her work on an array of IFC committees. As member, and sometimes chair, of the Handbook Committee (2006-2102), her in-depth knowledge of faculty procedures was the foundation upon which revisions to the Faculty Handbook were based. She also chaired the IFC Constitution and Bylaws Committee (2013-2015) guiding the drafting of needed revision requests. Other faculty concerns were not ignored, as Jennifer served on the IFC Faculty Affairs Committee (2004-2010) and multiple terms on the Board of Review Pool. Jennifer contributed to the faculty outside the IFC with extensive service on committees and in leadership positions on the Indiana University Libraries Faculty Council, the IUPUI.
Library Faculty Council, the University Library Faculty Council, and the Indiana University Librarians Association. Best wishes to Jennifer as she retires after almost 33 years of service to the faculty of Indiana University and IUPUI.

- **IU Bicentennial Campaign:** What does this mean for our colleagues who identify with the PU part of our campus? She said Chancellor Paydar rightfully has made it a point that we are strongest when we speak with a unified voice. She encouraged the IFC members, as representatives of the IUPUI faculty, to consult with their colleagues and let the IFC Executive committee know how they can have that conversation broadly, constructively, and inclusively on campus.

- The University of Chicago and other institutions of higher learning have reacted to a hostile public climate and divisive statements on campus and by professional organizations with a reconfirmation of the value and practice of academic freedom as it applies to research and teaching and also to discourse on campus and beyond. She knows the discussion of academic freedom, including respect for it at all universities globally, are taking place in some schools and the IFC Executive Committee will discuss how best to deal with the issue at IUPUI. She welcomed comments and suggestions from the members and those they represent.

- As the composition of the IUPUI faculty changes (more non-tenure-track faculty) and as administrative structures and reporting lines change, the IFC Executive Committee has initiated a study of ways to include faculty in the campus’s governance that traditionally are not included in the constitutions and bylaws. Somewhat related, but different, are the concerns about the role of the School of Medicine faculty in the IUPUI faculty governance structure. Without changes to the constitution, and constitutional change is intentionally difficult, our colleagues in the School of Medicine are members of the IFC and serve IFC committees.

- The University Faculty Council meeting this month includes administrative reports on the option for 10-month faculty to have their salary paid out over 12 months. She reiterated that the discussion will be on the report and is not a policy proposal yet.

**Agenda Item V:** [Action Item –Vote] Election of the At-Large Representatives to the IUPUI Promotion and Tenure Committee

L. Jack Windsor, Chair, Nominating Committee

Windsor read the following slate. The faculty member with the highest vote will get a three-year term. The next highest will get a two-year term.

Term:
- One representative for a two-year term replacing Rick Ward (retired) through 2017.
- One representative for a three-year term through 2018.

Agenda Item VI: [Information Item] Reports from Auxiliary Services and Event and Conference Services
Layne Maloney, Associate Vice Chancellor for Auxiliary Services
Angie Hill, Director of Operations,
Nancy Wright, Director, Event and Conference Services

Maloney, Hill, and Wright reported on their respective areas highlighting the items on the appended presentation. IUPUI Food Services sponsored the reception held at the conclusion of the meeting for the faculty service recognition program.

A question was asked about the changes in place to address textbooks that are not on the shelves that were ordered in advance? Maloney said her office will be contacting people to remind instructors when adoptions are due. They will also look at historical ordering and reordering to make sure books are on the shelves on time. The same for clickers. Clickers should be part of the adoptions and ordered as soon as possible.

Election Results: Jane Schultz was elected for a three-year term and Fred Rees for a two-year term. A motion was made to destroy the ballots. The motion was passed.

Agenda Item VII: Call for IFC or UFC Standing Committee Reports

- Academic Affairs Committee (AAC): John Watson, committee chair, reported on the following:
  Clarification of Policy on Grade Replacement:

  The Academic Affairs Committee (ACC) was asked by the Executive Committee of the IUPUI Faculty Council (IFC) to consider whether to clarify the IFC Policy on Grade Replacement. The policy was approved by the IFC on December 5, 1996. The current policy states that grade replacement is available only “undergraduate students seeking their first undergraduate degree.” The phrase “first undergraduate degree” results in confusion and numerous questions as to whether a student with an associate’s degree is precluded from using grade replacement while pursuing a baccalaureate degree.

  After evaluating this issue, the AAC concluded that disallowing undergraduates with associate’s degrees from using grade replacement was an undue burden on their efforts to obtain a baccalaureate degree. Therefore, the committee decided that a clarification was indeed in order. Hence, all references to “first undergraduate degree” in the Policy on Grade Replacement should be changed to “first baccalaureate degree.”

  The clarification was approved by the AAC on September 16, 2015, and presented to the IFC on October 13, 2015. The clarification should take effect in the fall 2015 semester.

Agenda Item VIII: Question / Answer Period

The audio tape was inaudible. No questions were recorded.

Agenda Item IX: Unfinished Business
There was no Unfinished Business.

Agenda Item X: New Business
There was no New Business.
Agenda Item XVI: Final Remarks and Adjournment
With no further business appearing, a motion was made to adjourn for the Celebration of Faculty Service at IUPUI. The motion passed and the meeting was adjourned.

The following faculty were honored:

30 Years: Richard Bihrle, Nancy Butler, Virginia Caine, Charles Curtis, Michael Dalsing, Roy Geib, Deborah Givan, Debra Helper, Barry Katz, Wei-Hua Lee, David Marrero, Angela McNelis, Helen Michael, Nasser Paydar, Timothy Seiler, John Stevens, Nancy Swigonski, Robert Tarver, Corinne Ulbright, Joseph Unthank, Dennis Wagner, Jeffrey Watt, and Karen West

Report on Council Actions 2015-16 (per Bylaws Article 1. Section C.3)

Committee Assignments

Academic Affairs Committee

- [Needs immediate attention] Interpretation of “first baccalaureate degree” in the Grade Replacement Policy
- Campus Policy on Limits in Withdrawal: Policy to be voted on by AAFC, EC, and IFC fall 2013. (Oct. 2013: The AAC agreed that the policy was too restrictive. They agreed that students should not be allowed to enroll and withdraw (or fail) a given course numerous times. Perhaps an alternative solution is to block registration for such students, initiated at the unit level. The registrar will investigate creating lists of students who enroll repeatedly in the same course. These lists could be provided to the appropriate unit for action (registration block), if the units choose to do so. Annual Report 2014: The proposed policy was put on hold pending further fact-finding and deliberation.)
- Grade Forgiveness Policy (Annual Report 2014: Carried over from 2012-2013. Should this assignment be eliminated?)
- Investigate what, if any, “University Sanctioned Events” should be included in the Registrar’s list of Course Policies (Annual Report 2014: Committee added this assignment for the 2014-15 AY.)

  (Update 2-25-14: With the Strategic Plan, this committee is under review by the Academic Affairs Committee and Faculty Affairs Committee as they determine whether the IFC should endorse an Undergraduate Curriculum Committee.
