H. Faculty Awards Committee

Charge: The Faculty Awards Committee is charged with 1) promoting the submission of nominations for faculty awards which are external to Indiana University, University-wide, Campus-wide, and internal to Indiana University School of Dentistry; and 2) promoting transparency and limiting conflicts of interest in the selection of awardees for the awards determined by Indiana University School of Dentistry and the Committee. The overall goal of the Committee is to advocate for and assure appropriate recognition of our faculty in a manner that promotes transparency and equity, and limits conflicts of interest.

In order to promote the submission of nominations of the Indiana University School of Dentistry faculty, the Committee shall compile, distribute and post a list of major awards external to Indiana University, University-wide, Campus-wide, and internal to Indiana University School of Dentistry that are applicable for the Indiana University School of Dentistry faculty. The Committee shall inform the department chairs of relevant awards in their area whose submission deadlines are approaching. The Committee may also contact faculty and/or their chairs if they think these individuals could be nominated for upcoming awards.

For awards determined by Indiana University School of Dentistry and/or the Committee, the Committee shall regularly evaluate and request faculty feedback on the award selection processes. The selection processes must be based on data/evidence to ensure fairness and eliminate conflicts of interest. If a Committee member is a nominee for an award determined by the Committee, the Committee member shall recuse himself/herself from that entire selection process and an unnominated replacement, preferably from the same department, will be appointed by the Committee within five (5) business days. In addition, the award criteria and selection processes must be clearly communicated to the faculty.

Composition: The Committee shall consist of one (1) elected representative from each department and two (2) At-Large members elected by the Faculty Council. The Associate Dean for Faculty Affairs shall serve as ex officio. There are to be no administrators on this Committee at the level of Department Chair or above. Each member shall serve for a three (3) year term and may serve no more than two (2) consecutive terms.

Chair: The Chair shall be elected by voting members of the Committee for a three (3) year term and may be re-elected, but may serve no more than two (2) consecutive terms.

Voting Status: Each elected member of the Committee shall have a vote.

I. Faculty Grievance Committee

Charge: The Faculty Grievance Committee (FGC) is charged with reviewing grievances of IUSD faculty members concerning dismissal, non-reappointment, tenure, promotion, academic freedom, salary adjustment, resolutions stemming from professional misconduct or other conditions of work. The Committee provides a means of peer evaluation, assessment of issues, and recommendations. Equity for the good of the individual and the good of the institution shall always be considered. The responsibilities of the Committee are to gather information regarding the substance of the grievance, analyze the relevant considerations (in light of existing policies and principles of professionalism and fairness), and prepare a written report of its findings and recommendations, to be shared with the Grievant, Dean, and the Executive Associate Dean/Associate Dean of Faculty Affairs. In cases in which the Committee considers that the rights of the faculty member(s) have not been adequately protected, the Committee should formulate a recommendation for remediation. The filing of a grievance in no way stops corrective, disciplinary, or administrative action that is needed to protect patients, students, staff and/or faculty or is otherwise permissible according to applicable university requirements.

Composition: The Committee shall consist of three (3) standing members and four (4) non-standing full-time faculty members to be appointed on a case-by-case basis. Several Committees with different non-standing members may be formed in case of multiple, non-related grievances. The three standing members will be the President, Past-President, and President-Elect of the IUSD Executive Committee. Non-standing members will be appointed by the President of the IUSD Executive Committee after consultation with the IUSD Executive Committee, the Dean and the Executive Associate Dean/Associate Dean for Faculty Affairs. Membership in the FGC is limited to IUSD full-time faculty. The appointment of non-standing members shall consider the nature of the case, rank of the Grievant to allow for fair peer
evaluation, and potential conflicts of interest which would preclude faculty from being appointed. Furthermore, consideration should be given to faculty with experience serving on the IUSD Executive Committee, the IUSD Promotion and Tenure Committee, the IUPUI Faculty Council, and/or prior experience as a Chair of a FC Committee. The Committee may request legal advice from the Office of the Vice President and General Counsel, as appropriate.

Procedure: An IUSD faculty member seeking to hear his or her grievance must contact the President, Past-President, or President-Elect of the IUSD Executive Committee within 30 days of the cause of his or her grievance. Within 14 days, the Committee shall be formed as described above. The Committee shall review, as appropriate, all relevant documentation pertaining to the case. The determination of ‘relevance’ will be made by the Committee. The Committee shall have access to any documentation leading to the grievance including but not limited to that held by the Administration or other bodies, for example the Promotion and Tenure Committee. The Committee is expected to meet with the Grievant but may also meet with other parties relevant to the grievance. The Grievant/other party may have up to two other persons present at the hearing, but the Committee must be informed as to the names and purposes for attending the hearing and must agree to their presence. Those representatives/observers may confer with the Grievant/other party they have been asked to represent, but representatives/observers do not have a right to address the Committee or otherwise actively participate in the process. The Committee is expected to conclude its deliberations within 30 days of its formation and shall provide a written report as described above within 14 days after that. The Committee will then disband and non-standing members will be released of their duty. The proceedings, information gained, and conclusions of the review shall be held in confidence to the extent practicable. The Grievant may withdraw a complaint at any time. If the Committee’s review does not find merit in the Grievant’s case, the Grievant may initiate procedures at the IUPUI campus level. If the Committee finds merit in the Grievant’s case, the Committee will hand the case back to the party responsible for the grievance for reevaluation together with the Committee’s report.

Quorum: At least two standing and two non-standing members must be present during Committee meetings, including those involving hearings. If the Chair cannot be present at a meeting, he or she will have to appoint a Deputy Chair who will chair the meeting. All members are required to be present for meetings during which the Committee Chair will be elected.

Chair: The Chair shall be elected by the standing and non-standing members of the Committee and must be tenured. The Chair shall serve a term equal to the Committee’s activity; i.e. once the Committee has disbanded the Chair’s term has ended. As multiple Committees may be enacted simultaneously, a Committee member may serve as Chair of more than one Committee at a time. The Chair(s) shall provide the Faculty Council with a de-identified quarterly report and a de-identified written summary report at the end of each academic year. To avoid breach of confidentiality, these reports shall contain no more than the number of cases dealt with and their outcome.

Voting Status: Each member of the Committee shall have a vote. Members of the Committee may request that a member recuse him/herself from participation on a case. A member may be compelled to be recused by a vote of the Committee. Upon recusal an alternate member may be appointed at the discretion of the Chair. The recused member must be replaced with a person of the same rank in order to maintain the composition of the Committee. In cases relating to tenure and/or promotion, only Committee members of at least the same rank as the Grievant shall have a vote. All committee discussions, reports and votes will be strictly confidential.

J. Professional Conduct Committee

Charge: The Professional Conduct Committee (PCC) is charged with reviewing charges and evaluating the evidence of alleged professional/academic misconduct incidents involving students. In evaluating these instances, the Committee shall make decisions based on their consideration of all the evidence provided at a hearing attended by PCC members and the alternates. Final decisions will be forwarded to the Faculty Council Executive Committee. The FC Executive Committee will share the decision with the Dean, who will review the decision for consistency with due process. The decision will then be reported to the Chair of the Progress Committee, Associate Dean for Academic Affairs, and Associate Dean of the Office of Admissions and Student Affairs. The Chair of the PCC shall provide the Faculty Council, at least quarterly, with an identified report for projection and a written de-identified report for electronic archiving of the PCC actions.

Each student member shall serve a one (1) year term. The Associate Dean for Admissions and Student Affairs shall serve as an ex officio member of the Committee. The Committee shall have two (2) additional members to serve as alternates. One (1) alternate DDS Program faculty member shall be elected by the Faculty Council and serve a three (3) year term. One (1) alternate student member shall be elected from the fourth year dental class by their class to serve a one (1) year term. No alternate member can serve more than two (2) consecutive terms. Faculty members will serve staggered terms.

Chair: The Chair shall be elected by the voting members of the Committee and must be a faculty member. The Chair shall serve a three (3) year term. The Chair is eligible to serve for not more than two (2) consecutive terms and shall provide a summary report to the Faculty Council as described above.

Voting Status: All members of the Committee will maintain confidentiality regarding all PCC matters. Each member of the Committee (except the alternate and ex officio members) shall have a vote unless they are involved in the case being heard. A quorum shall be fifty percent (50%) of the elected faculty members. Members of the Committee may request that a member recuse him/herself from participation (unless as a witness) on an incident. A member may be compelled to be recused by a vote of the Committee. Upon recusal the alternate member shall serve as a voting member in all capacities involving that incident. The recused member must be replaced with a person of the same rank in order to maintain the composition of the Committee. For deliberations involving a determination of responsibility and the determination of sanctions the Chair will vote only where a tie vote is encountered. An ex officio member does not have a vote.
